

THE BEAUFORT

Charming front porch railings and decorative shutters - the 3,149 square foot Beaufort is simply magestic. The Beaufort features both a front and rear porch, master suite with entry hall and sitting area, as well as an open floor plan. And it doesn't end there... the second floor can serve as flex space or as a suite of its own complete with a loft. 4 bedrooms, 3 1/2 baths - the Beaufort will accommodate any lifestyle.
